Electoral Literacy Club

1. Yes, the Electoral Literacy Club has been set up in our college
2. Yes, the Electoral Literacy Club is functional and representative in character and the structure that is decided is stated below

Structure of ELC

Nodal Officer— Lpsy Mohanty Roy

Executive Committee --

1. Debasish Roy (TS)
2. Sipra Tudu(TS)
3. Sukanya Mukherjee (SACT)
4. Nimai Sheet (NTS)
5. Students from Semester III & V

Executive Committee is to be formed with 3 teachers, 1 office staff and 4 student representatives from all semesters. The Nodal Officer also does mentor the club. Apart from members, students act as volunteers to assist in the activities of club. The District Collector, who is also **District Election Officer (DEO)** and **Electoral Registration Officer**, guidance is sought in our endeavour.

3. The said Club is formed to generate awareness about their **political right i.e. right to vote**. It works as **Voter Awareness Forum (VAF)** for staff and newly admitted students. It is quintessential to motivate the voters so that politically apathetic denizens realise that '**one man one vote**' is a very effective weapon to bring about change in democracy. The target will be to create **Empowered (Prospective) Voter**. Every vote and opinion counts in democracy.

Thought provoking games, classroom activities, quiz, outreach programmes etc are organised at regular intervals to create informed electorates.

The future voters will be informed about process of registration and voting. All must exercise their voting rights.

As majority of our students are from socially, educationally and economically backward sections of society and most of them are first generation learners, it is possible to reach out to the community and marginalized sections through the students.

4. Poster competition, awareness session and preparation of Handbook for voters are part of Plan of Action (POA) of ELC. Mock election will be staged to generate awareness about voting process and furnish with first hand information. Election issues or agenda can be taken up to organise debate and healthy discussion on specific problems.

5. A drive will be taken through Google Form to find out how many admitted students have enrolled themselves as voters in the electoral roll if not, then what are the issues to be addressed upon.

Last but not the least students will encourage all the voters to exercise their right in free and fair means (ethical voting).

International Mother Language Day 2024 is an opportunity to remind the international community that multilingual education enhances learning when the language of instruction is the learner's first language. Our principal gave a speech on the use of learners' own languages for literacy and learning provides a solid pillar for education, and for transfer of skills and knowledge to additional languages. The Departmental Head of Bengali Department Dr. Mrinal Halder emphasized that learning in one's first language facilitates understanding and interaction, and further develops critical thinking. It strengthens self-confidence and self-esteem and stimulates active participation. Students prepared wall magazine where contribution of martyrs of different languages are depicted.
