Report of Celebration of International Women's Day, 2019

Title of the seminar : **International Women's Day 2019 - campaign theme : Balance for Better**

Date : 08/03/2019

Time & Venue : 2 P.M. – 5 P.M. at Room No 209

Audience : Teaching and non-teaching staff and students of our college

The 2019 " Balance for Better " campaign runs all year long. It doesn't end on International Women's Day.

The campaign theme provides a unified direction to guide and galvanize continuous collective action, with " Balance for Better " activity reinforced and amplified all year.

Balance is not a women's issue, it's a business issue. The race is on for the gender-balanced boardroom, a gender-balanced government, gender-balanced media coverage, a gender-balance of employees, more gender-balance in wealth, gender-balanced sports coverage ...

Women's Forum along with IQAC of Sammilani Mahavidyalaya celebrated International Women's Day on 8th March, 2019. In this occasion we have organised a seminar entitled " International Women's Day 2019 - campaign theme : Balance for Better " with publication of several wall magazines focusing on the social, economic, cultural and political achievements of women. Our principal, Dr. Santi Ranjan Palchaudhuri delivered valuable lecture on the topic gender balance which is essential for economies and communities to thrive.

Convenor of Women's Forum, Dr. Shefali Pal and Coordinator of IQAC Dr. Paramita Dasgupta and other teaching members of this college spoke about the innovative ways in which to advance gender equality and the empowerment of women, particularly in the areas of social protection systems, access to public services and sustainable infrastructure.

Several students of the college celebrated this occasion through cultural activities.

This programme motivate others to put their hands out and strike the " Balance for Better " pose and make International Women's Day their day - and do what they can truly make a positive difference for women everywhere.

I AM GENERATION EQUALITY: Realizing Women's Rights

INTERNATIONAL WOMEN'S DAY - 8 MARCH 2020
#IWD2020 - #GENERATIONEQUALITY

Report of Celebration of International Women's Day, 2020

Title of the seminar : International Women's Day 2020 - 'I am Generation Equality : Realising Women's Right' .

Date : 12/03/2020

Time & Venue : 2 P.M. - 5 P.M. at Room No 209

Audience : Teaching , non-teaching staff and students of our college

As like every year we the members of the women's forum of Sammilani Mahavidyalaya organised a special programme to commemorate International Women's Day on the 12 th of March 2020. The principal said a few words about the significance of the day thereby promoting the cause of gender equality to the students. The convenor of the women's forum focused for gender equality and calls on everyone to tackle the persistent barriers against gender equality.

The theme for this year was 'I am Generation Equality : Realising Women's Right'. We had organised a special lecture by professor Nandini Bhowmick who is a female priest. She had already revolutionised the concept of Hindu religious customs and practices by performing prayers and yajnas thereby challenging and breaking the norms of Hindu Patrachial Brahmanism. She has further researched and rejuvenated the vedic form of performing rites and implemented it in the traditional custom of wedding, rice ceremony etc. She enlightened the audience about how society has gradually come to acknowledge the role of the working woman thus women could freely select even her occupation without hesitation.

The students along with the teachers performed in front of more than 100 audience in various ways to make the occasion a memorable one. Some students performed dance recital depicting Nari Shakti. Some students recited poems on gender issues. Teachers spoke about the significance of the day. Male students of the forum presented posters to highlight the importance of the day. A report was published regarding the slum survey undertaken by our students and teachers on 7th March, 2020 , which specially focused on health and hygiene of the females of that area.

Altogether the day was memorable and will be entrenched in your hearts along with the messages for long. Moreover, we want to mobilize to end gender-based violence; we are calling for economic justice and rights for all; bodily autonomy, sexual and reproductive health and rights; and feminist action for climate justice. We want technology and innovation for gender equality; and feminist leadership.

Small actions can have big impacts in making this vision a reality. On International Women's Day, join Generation Equality and become part of the movement.

To commemorate Women's Day and the Silver Jubilee of our college a webinar was organised by the Women's Forum of our college in collaboration with the IQAC to observe these events which was held on the 12th of March 2022. This year the theme of the United Nations was "*Gender Equality Today for A Sustainable Tomorrow*" so we selected a sub theme which was "*Nari Tumi Ardhek Aakash; Uttaraner Dishay*".

The programme opened up with a Shanti Mantra recital by one of our students followed by a prolific explanatory discourse about the importance of Women's Day by the coordinator of IQAC. The chief points of his speech was regarding intelligence, perception and vision of women which he skillfully illustrated by narrating a wonderful story. He also said that without gender equality being present we will never obtain the long cherished goal of a humane society drawing references from Swami Vivekananda's thoughts towards women empowerment.

The next speaker was Mataji Vedarupa Prana who also happens to be the Principal of Ramakrishna Sarada Mission Vivekananda Vidyabhaban. She spoke about the prevalence of ideas of women empowerment amongst the thought processes of Ramkrishna Paramhansa, Saradamoyee and Swami Vivekananda. She especially laid stress on Saradamoyee who being a woman had thoughts which were much ahead of her times. Her discourse was inspiring, resourceful and fragrant at the same time inspiring all to establish gender equality even for the third gender.

The final speaker was Dr. Dhriti Banerjee, who is presently the Director of the Zoological Survey of India. She is the first lady director in the 105 year history of the Zoological Survey of India. She shared her own story of how she finally achieved her present rank overcoming hurdles and obstacles and how she overcame challenges in this male dominated bastion from a junior scientist to becoming the first female director of Zoological Survey of India. Her story starting from her initial days to her final interview for the post of director was fascinating and deeply intriguing. The main motto of her narration was to encourage everybody to pursue their dreams and thereby transform themselves into professionals where humanity would be the main criteria.

Finally after an ending address and exchange of views amidst a very positive.

Self Defence Training Programme

Self defence can be termed as an act by any individual or groups involving reasonable force to defend one's self.

Objectives:

The Self Defence Training Programme for college girls was implemented by the Women's Cell of Sammilani Mahavidyalaya, as part of the Silver Jubilee celebrations of the college. The objectives of the program were as follows.

- To make them able to defend against unexpected physical assault.
- To build up self confidence and physical prowess.
- To enable girl students combat different types of violent situations arising against them.
- To provide insights about the different types of self protection and to be aware of unruly situations.
- To provide demonstration on different Self Defence techniques.

Overview:

Enhancement of self confidence among girls is a bare necessity to enable them to be strong both physically and mentally to tackle any untoward situation they come across in their day to day life. On 17th November to Nov 27, 2022 a 10 days training programme was organised by the Women's Cell under the guidance of trainer Shian Jhuma Das who was invited to train all the girl students about various self defence techniques. was to make all aware of their inherent power to fight against any kind of attack. Now a days many roadside attacks are witnessed like chain snatching, eve teasing, rape, molestation etc. To keep oneself safe from such attacks self defence techniques are very important. Many defence techniques were demonstrated by the trainer and many students also participated in it.

Outcomes of the Programme:

After completion of the training programme the following outcomes was observed.

The confidence level of girl students increased.

The participants were emotionally mentally and physically prepared to deal with any attack or untoward incident.

In some cases to defend and raise an alarm.

They were made aware on escaping techniques against different hold and chokes.

They were made aware on ground fighting techniques and use it as per their need.

Benefits:

One of the major impacts of this activity was instilling a sense of fearlessness and enhancing mental and physical strength among the girls. The participants felt more confident and secured after learning techniques to defend themselves in times of crisis.

This training enhanced the physical strength of the girls and a very positive trend in terms of interest was witnessed in college when this programme was being imparted.

Agenda 1:

Read the minutes of previous meeting in the meeting and unanimously confirmed by the members.

Agenda 2.

An extensive discussion took place regarding purchase of sewing machines to start the Diploma course on basic tailoring. As because, the college is getting financial support from Ambuja Neotia group (CSR initiative) and they have committed to sanction Rs.1.5 lakh for the said course. Mentioned further, the college has taken an initiative to start the Tailoring Course to initiate the scheme "EARN WHILE YOU LEARN". The objective of the course is to provide training in skill development that can generate employment to girl/female.

So, to start the course as discussed in early meetings, we must purchase 2 nos. Foot operated sewing machines with stand and table and 1 no. Janome auto zigzag sewing machine DLX motorized initially. For that, Convenor of the Cell proposed to the house that she has taken initiative and contacted with the USHA Int. Ltd. The purpose behind this is to purchase the machines directly from the USHA company on urgent basis. And this will also be cost effective as it will be purchased directly from the company.

Agenda 3:

There was no consensus regarding the selection of room, though Convenor requested for one of the rooms to the house keeping in view the necessity to run the course.

The house accepted the proposal and permits to proceed further.

Some practices to instil Values in Students

The instillation of ethical principles in students is a crucial component of education since it contributes to developing their personalities, ways of behaving, and capacities for making choices. Sammilani Mahavidyalaya work towards giving their students ethical and moral education.

Our institution strongly emphasises virtues like truthfulness, decency, respect, accountability, compassion, and empathy. These ideals are included in the curriculum, extracurricular activities, and daily interactions to help pupils develop a sense of morality and ethical behaviour.

Here are some of the methods that are used to instil moral principles in students:

- **Value Education classes-** to promoting a cheerful and welcoming environment, our Institution work to establish an atmosphere conducive to the growth of moral principles. It also encourages kindness, empathy, respect, and fairness across the school. In this regard, there is a slot for value education class on the master routine. Classes are held regularly where discussion are held about good practices and motivational speeches are given to students.
- **Writing of motivational quotes-** Every day in the morning one students from each department write a motivational quote at the board displayed at the entrance of our college. Apart from that quotes of great educators and scientist are displayed every where in the college premise to instil in them the sense of morality and value.
- **Regular Parent Teacher Meeting-** Parent teacher Meeting are held at each department for each semester students. Giving the parents advise and taking their view points in developing values in students is one part of discussion in parent teacher meeting.
- **Seminars and talks** on value education are organised at various occasion time to time.

Vivekananda Birthday Celebration/ National Youth Day

Birth anniversary of Swami Vivekananda is celebrated every year on 12th January. National Youth Day is celebrated also known as Vivekananda Jayanti. National Youth Day holds immense significance in acknowledging the potential of the youth as catalysts for social change and nation-building. Swami Vivekananda believed in the inherent strength and capability of the youth, often stating that they were the backbone of a nation. The institution organises cultural programs and discussions centered around Swami Vivekananda's teachings. These events focus on instilling a sense of national pride, social responsibility and spiritual values among students.

Report of Drama Workshop

The drama workshop was an extended cultural event for the students. It was a new endeavor by the students to do something which might enable them to independently express themselves beyond their syllabus. The duration of the workshop was 45hrs approximately which commenced from the 22nd of September 2022 for three days a week of 3 hours each for 5 weeks. About fifteen to twenty students were engaged in the total exercise which culminated on the 24th of November 2022 in the form of a street play "Khancha O Pakhir Galpo" based on Rabindranath Tagore's "Totakahini" under the supervision of Chandannagar Sarang Creations. Undoubtedly it was a truly a mesmerising event which drew accolades from everyone present thus providing the crowning glory to all who were involved.

Brief report
on
Theatrical performance (as a part of life skill development programme)

The programme was held on 22nd December, 2022 at 2.00 pm in the Sammilani Mahavidyalaya in association with Chandannagar Sarang Creations to develop life skill among new students. This is an innovative initiative taken by the drama club, Sammilani Mahavidyalaya. The famous theatre activist Luckyjee Gupta has performed an extra ordinary piece of one-act drama entitled 'Ma Mujhe Tagore Banado'. The message was very much loud and clear that every person is unique in themselves. They need not to imitate others, rather they should concentrate in building up moral and ethical character. The programme touched the heart of the students and audiences. This programme was a grand success.

Report of Drama Workshop

The College has taken an initiative to develop soft skill among youth. The project was a workshop on drama. It was an extended cultural event for the students. It was a new endeavour by the students to do something which might enable them to independently express themselves beyond their syllabus. The duration of the workshop was 45hrs approximately which commenced from the 22nd of September 2022 for three days a week of 3 hours each for 5 weeks. About fifteen to twenty students were engaged in the total exercise which culminated on the 24th of November 2022 in the form of a street play “Khancho O Pakhir Galpo” based on Rabindranath Tagore’s “Totakahini” under the supervision of Chandannagar Sarang Creations. Undoubtedly it was a truly a mesmerizing event which drew accolades from everyone present thus providing the crowning glory to all who were involved. This endeavor has served two purposes simultaneously; one is the entertainment of the student beyond syllabus and the important other purpose is to develop soft skill which may help them exploring some new avenues in the future.

**AWARENESS PROGRAMME ON COMMUNICABLE DISEASES AND

Blood donation is a very common and popular event . It provides blood to the blood banks, hospitals and thus helps us saving life. With the gradual increase in population, the need of blood increases proportionately. To fulfill the need we have to organized blood donation on regular basis. People of various age groups can come forward for this noble work. Unfortunately people in this part of the world have superstitions and wrong ideas regarding donation of blood. Therefore the awareness and blood donation both are equally important.

Considering this the NSS unit of Sammilani Mahavidyalaya organized an awareness programme on 23rd February to motivate the students to donate blood followed by a blood donation camp on 28th Feb 2020. Dr. M.S Mandal from R. G. Kar Medical college , was the resource person who discussed many scientific facts related to blood donation. He also cleared different misconception and superstitions among students. The importance of blood was also narrated by him during this programme to catch the attention and also to motivate the young students to donate blood. The result of the awareness programme was observed on the day of blood donation where 70 people donated blood and thus made the programme a grand success.
