AWARENESS PROGRAMME ON BREAST CANCER AND CERVICAL CANCER

Breast and cervical cancer now a day become one of the most alarming threats for women in this part of the world. Breast cancer is very common among women across all age groups. Whereas, cervical cancer is the outcome of less hygiene, scanty knowledge on sex education and polygamy. In Indian population, women have less awareness and literacy on such knowledge.

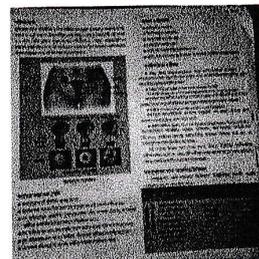

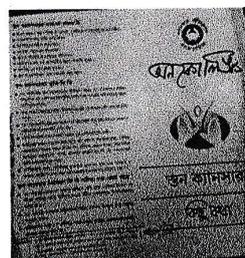

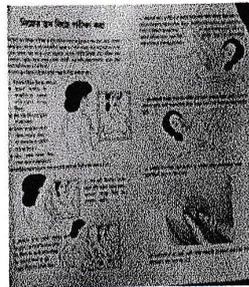

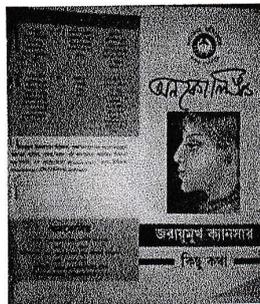

Considering this Sammilani NSS unit on the eve of International Women's Day (7th March 2020), in collaboration with IQAC a health awareness programme entitled "Cancer: Its Past and Present Scenario with a Hope of Bright Tomorrow" was conducted. A talk was delivered by resource person Dr. Amit Sarkar, from Oncolink. After the seminar was over a hand out on Cervical and Breast Cancer was distributed among girl students. More than 60 women including girl students and lady staff were participated in this programme.

Letter of Appreciation

Dear Leader,

On behalf of 'Pledge for Life' team, we would like to thank you and your NSS unit for supporting the **Spitting Kills Campaign**.

During this Corona crisis, experts determined that spitting spreads the virus. Chewing tobacco, gutkha, khaini, etc cause the urge to spit and hence the Government, under the Disaster Management Act 2005 gave the order to stop spitting in public places and the Prime Minister, Shri Narendra Modi, himself, urged the public to do so too.

The National Service Scheme (NSS) is supporting the Spitting Kills campaign wherein NSS Volunteers created awareness among public on the issue. This appreciation letter is issued because your NSS Unit has till 28th July 2020 got 162 persons to fill in the Spitting Kills weblink.

Your timely action is saving the spread of Covid-19 as well as reducing the usage of chewing tobacco. We now look forward to your getting thousands more to fill the weblink.

Thank you for your service to society,

Arvind Mathur

Report of Celebration of International Women's Day, 2019

Title of the seminar : **International Women's Day 2019 - campaign theme : Balance for Better**

Date : 08/03/2019

Time & Venue : 2 P.M. - 5 P.M. at Room No 209

Audience : Teaching and non-teaching staff and students of our college

The 2019 " Balance for Better " campaign runs all year long. It doesn't end on International Women's Day.

The campaign theme provides a unified direction to guide and galvanize continuous collective action, with " Balance for Better " activity reinforced and amplified all year.

Balance is not a women's issue, it's a business issue. The race is on for the gender-balanced boardroom, a gender-balanced government, gender-balanced media coverage, a gender-balance of employees, more gender-balance in wealth, gender-balanced sports coverage ...

Women's Forum along with IQAC of Sammilani Mahavidyalaya celebrated International Women's Day on 8th March, 2019. In this occasion we have organised a seminar entitled " International Women's Day 2019 - campaign theme : Balance for Better " with publication of several wall magazines focusing on the social, economic, cultural and political achievements of women. Our principal, Dr. Santi Ranjan Palchoudhuri delivered valuable lecture on the topic gender balance which is essential for economies and communities to thrive.

Convenor of Women's Forum, Dr. Shefali Pal and Coordinator of IQAC Dr. Paramita Dasgupta and other teaching members of this college spoke about the innovative ways in which to advance gender equality and the empowerment of women, particularly in the areas of social protection systems, access to public services and sustainable infrastructure.

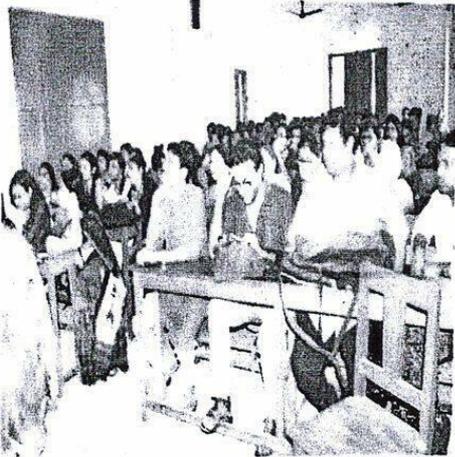

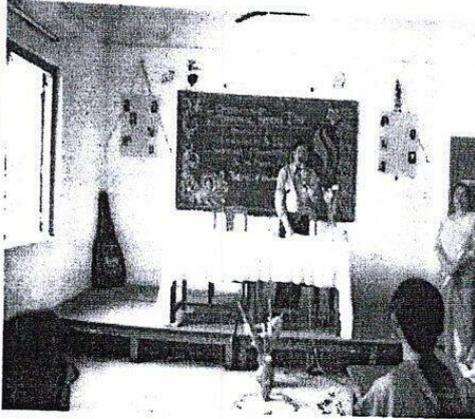

Several students of the college celebrated this occasion through cultural activities.

This programme motivate others to put their hands out and strike the " Balance for Better " pose and make International Women's Day their day - and do what they can truly make a positive difference for women everywhere.

Report of Celebration of International Women's Day, 2020

Title of the seminar : International Women's Day 2020 - ' I am Generation Equality : Realising Women's Right ' .

Date : 12/03/2020

Time & Venue : 2 P.M. - 5 P.M. at Room No 209

Audience : Teaching , non-teaching staff and students of our college

As like every year we the members of the women's forum of Sammilani Mahavidyalaya organised a special programme to commemorate International Women's Day on the 12 th of March 2020. The principal said a few words about the significance of the day thereby promoting the cause of gender equality to the students. The convenor of the women's forum focused for gender equality and calls on everyone to tackle the persistent barriers against gender equality.

The theme for this year was 'I am Generation Equality : Realising Women's Right'. We had organised a special lecture by professor Nandini Bhowmick who is a female priest. She had already revolutionised the concept of Hindu religious customs and practices by performing prayers and yajnas thereby challenging and breaking the norms of Hindu Patrachial Brahmanism. She has further researched and rejuvenated the vedic form of performing rites and implemented it in the traditional custom of wedding, rice ceremony etc. She enlightened the audience about how society has gradually come to acknowledge the role of the working woman thus women could freely select even her occupation without hesitation.

The students along with the teachers performed in front of more than 100 audience in various ways to make the occasion a memorable one. Some students performed dance recital depicting Nari Shakti. Some students recited poems on gender issues. Teachers spoke about the significance of the day. Male students of the forum presented posters to highlight the importance of the day. A report was published regarding the slum survey undertaken by our students and teachers on 7th March, 2020 , which specially focused on health and hygiene of the females of that area.

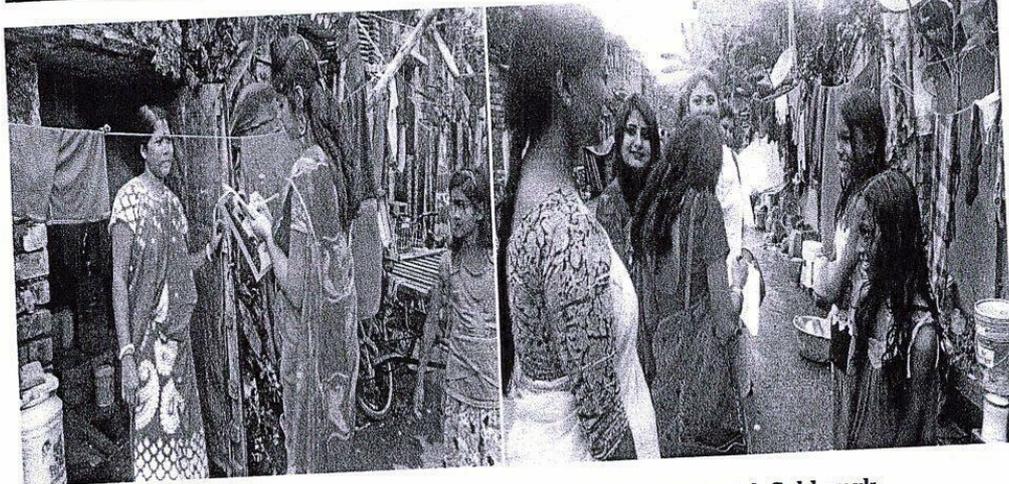

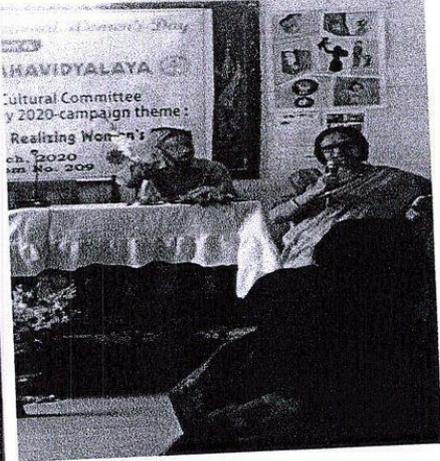

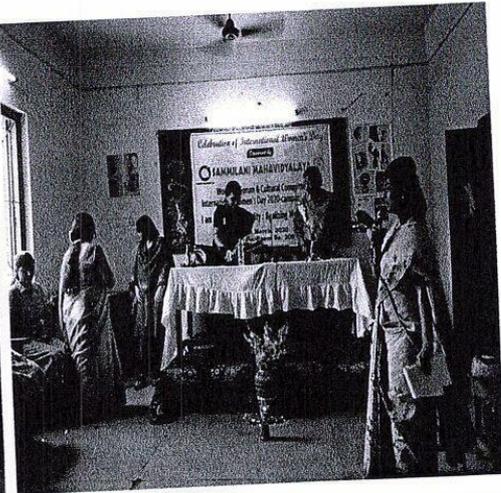

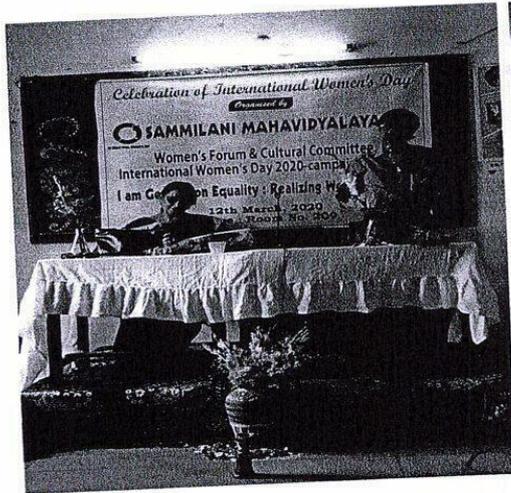

Altogether the day was memorable and will be entrenched in your hearts along with the messages for long. Moreover, we want to mobilize to end gender-based violence; we are calling for economic justice and rights for all; bodily autonomy, sexual and reproductive health and rights; and feminist action for climate justice. We want technology and innovation for gender equality; and feminist leadership.

Small actions can have big impacts in making this vision a reality. On International Women's Day, join Generation Equality and become part of the movement.

To commemorate Women's Day and the Silver Jubilee of our college a webinar was organised by the Women's Forum of our college in collaboration with the IQAC to observe these events which was held on the 12th of March 2022. This year the theme of the United Nations was "Gender Equality Today for A Sustainable Tomorrow" so we selected a sub theme which was "Nari Tumi Ardhek Aakash; Uttaraner Dishay".

The programme opened up with a Shanti Mantra recital by one of our students followed by a prolific explanatory discourse about the importance of Women's Day by the coordinator of IQAC. The chief points of his speech was regarding intelligence, perception and vision of women which he skillfully illustrated by narrating a wonderful story. He also said that without gender equality being present we will never obtain the long cherished goal of a humane society drawing references from Swami Vivekananda's thoughts towards women empowerment.

The next speaker was Mataji Vedarupa Prana who also happens to be the Principal of Ramakrishna Sarada Mission Vivekananda Vidyabhaban. She spoke about the prevalence of ideas of women empowerment amongst the thought processes of Ramkrishna Paramhansa, Saradamoyee and Swami Vivekananda. She especially laid stress on Saradamoyee who being a woman had thoughts which were much ahead of her times. Her discourse was inspiring, resourceful and fragrant at the same time inspiring all to establish gender equality even for the third gender.

The final speaker was Dr. Dhriti Banerjee, who is presently the Director of the Zoological Survey of India. She is the first lady director in the 105 year history of the Zoological Survey of India. She shared her own story of how she finally achieved her present rank overcoming hurdles and obstacles and how she overcame challenges in this male dominated bastion from a junior scientist to becoming the first female director of Zoological Survey of India. Her story starting from her initial days to her final interview for the post of director was fascinating and deeply intriguing. The main motto of her narration was to encourage everybody to pursue their dreams and thereby transform themselves into professionals where humanity would be the main criteria.

Finally after an ending address and exchange of views, the webinar concluded on a positive note amidst a very positive.

Report

International Women's Day was celebrated at Sammilani Mahavidyalaya on the 24th of March 2023 by Women's Forum of the Institution. The seminar focused on the theme of United Nation's theme of International Women's Day, i.e, Digit ALL: "*Innovation and technology for gender equality*". The Seminar was graced by the presence of Dr Ishita Mukherjee, former Director of Women's Studies, University of Calcutta. Some special guests were also invited who are in odd jobs but helping the society with their courageous personalities. Tandra Sadhukhan an auto driver, Manashi Mridha, a cab driver, Sonali Ghosh, a Rickshaw puller who were present amongst all. Apart from our guests, we had amongst us our teacher-in-Charge, Dr. Sharmila Chakraborty, IQAC co-ordinator, Dr. Srikantha Malakar and all the members of the Women's Forum along with other teachers and students, the total number being approximately seventy. The seminar started with lighting of the inaugural lamp by the chief guest and the TIC. The Convenor of Women's Forum Kasturi Kar then delivered the welcome speech whereby she highlighted the significance of Women's Day. It was followed by a speech from TIC where she stressed on how today's women are coming forward and participating in every walk of life. She encouraged our students to come forward and do their work so that they can have a bright future. IQAC coordinator also emphasised on how on International Women's Day women are recognised for their achievements irrespective of any divisions. Chief guest Dr. Ishita Mukherjee was felicitated which was followed by her invaluable speech on the topic. Dr. Mukherjee laid emphasis on how individuals should be encouraged to challenge gender bias and inequality in their own lives and communities. She stressed that gender equality and empowerment should remain the priority of all government policies. She also said that women's economic empowerment, in conjunction with a girls' education, family planning, reproductive and sexual health, and reduction in the number of child marriages, can

facilitate the transition to low-carbon economies, help improve resource use, and assist in lowering environmental damage and land fragmentation, as well as increase resilience.

After the speech by the chief guest all the special guests who were doing odd jobs were felicitated and each of them shared their experiences as to how they came to this profession. Students were motivated by their speech. The main focus of the seminar was student participation. Students from the Department of Education, Political Science, History, Bengali and Philosophy presented posters on different topics of women education. They participated in groups and a representative from each group presented their topic in front of the chief guest and students and explained their work. Two students from Education honours of 6th semester performed. Laboni Shil sang modern women centric songs and Sunita performed dance on women centric songs. The one day seminar ended with vote of thanks by ex- Convenor of Women's Forum and present member Dr. Shefali Pal. She summed up the views of different speakers.
