Subject:- Instructions regarding implementation of Post Matric Scholarship Scheme (SC) and Pre Matric Scholarship Scheme for SC Students and others for FY 2022-23 - reg.

Respected Madam/Sir,

With reference to implementation of Post Matric Scholarship Scheme (SC) and Pre Matric Scholarship Scheme for SC Students and others for FY 2022-23 it is informed that on the basis of suggestions of State Governments provided during a meeting held on dated 08.09.2022, the following decisions have been taken-

A. Registration process-

- i. It will be mandatory for all the student/ applicants to provide their Aadhaar during registration, irrespective of age. Payment would be only Aadhaar based and thus there will be no need to collect bank account details.
  - ii. The students who do not have an Aadhaar number will be given an option to register through their EID numbers and will be given 30 days time to obtain the Aadhaar number and seed their Aadhaar number in to a bank account.
  - iii. The State portal will have a provision to guide the student on the process for obtaining Aadhaar and will facilitate the students in obtaining the Aadhaar in case any difficulties are faced by them.
  - iv. Regular advisory will also be issued by the States to the respective institutes so that there are no delays in such cases.
  - v. During the registration process the students will be allowed to fill only those institutes' details which have valid AISHE/ UDISE Codes.
  - vi. For the courses not covered under the AISHE/ UDISE Codes, the State Governments will create Additional Codes in consultation with the concerned Departments (as recognized by the Central/ State Government) and communicate such list of Codes to Ministry/NIC. However, in no instance an institute will be selected which is not registered through an academic Code.
- The States will conduct a drive, along with the concerned department, to ensure that all the registered institutions have a valid Code.

DR. B. C. PARVEEN KUMAR THAKUR  
Director  
Ministry of Social Justice & Empowerment  
Shastri Bhawan, New Delhi-110011

- viii. The States will conduct a real time 'demo-auth' of the Aadhar, similar to that being done by NSP, Aadhar seeding status and AISHE/DISE etc. check at the time of registration itself.
- ix. States will require to integrate their portals with the UIDAI Portal (for Aadhaar authentication process), NPCI portal (For Aadhaar seeding verification process) and PFMS (for release of State share of scholarship).
- x. The States will create a Master-list of courses and segregate the existing courses in the States as per the Groups mentioned in the Scheme guidelines. No such check will be conducted on the Central Portal.
- xi. The registration page of States' portals should clearly mention the requirement of Aadhar, need for Aadhar seeding of the account of the student and the need for AISHE/DISE etc. Code of the institution. Suitable and adequate awareness programmes may be undertaken regularly by the States to ensure that the beneficiaries/institutions are aware of these requirements.

#### B. Verification of documents-

- i. States will ensure that necessary verification of three documents is done through institute's/concerned officials which are required as per Scheme guidelines i.e. Caste Certificate, Income Certificate and Bonafide student Certificate. States may also require to ensure that they may get verification of additional documents done, in case, if they so desire. However, States will endeavor to make the process of verification completely online and without any manual intervention.
- ii. States will also coordinate with the respective document/s issuing authorities and ensure the linkages of various documents through Aadhaar so that the exclusivity of registration is ensured.

#### C. De duplication and Red Flag processes-

- i. Red Flag process will be conducted on the States Portals and no such checks will be done on the Central Portal. The basic Red Flag criteria are mentioned in Annexure-A
- ii. States shall also mandatorily undertake de-duplication with other scholarship schemes being administered by them.
- iii. The data in the red flag categories does not mean the rejection of data. It only indicates that the data should be re-checked and then, if found OK, be verified by the States.
- iv. The check value of Red Flags (e.g. Age for the level of education, fees in a group etc.) can be chosen by the State Governments. However, there should be some check in all the categories.

#### Payment of State share-

- i. The States will release the Scholarship amount through Aadhaar based Payment Bridge System through PFMS for the AY:2022-23 and no bank account details will required to be captured during the application registration process.
- ii. There is no such process provisioned in the Scheme guidelines for making payment to students in more that one part by the State Governments and the release of scholarship should be done in one part only.

iii. If State has inadvertently made the payment of Central Share also through its portal, the state will not subsequently claim this amount from Central share and no such request will be entertained by the Central Government. The States shall be solely and fully responsible for this act of theirs.

iv. For the AY:2022-23 onwards, a mechanism should be in place and inserted in the States portals, by which, the fee should be limited as per the cap announced by their Fee fixation Committee/s, and students/ institutes (as the case may be) should not be allowed to submit fee which is more than that.

#### E. Sharing of data with Central Portal-

i. After the payment of States share, the States will push the data to the Central Portal through a designated API to be provided by NSP.

ii. Calculation of Central share to be done by the State Governments and the release of Central share would be based on this data only. There shall be no updation/ revision of Fee/ allowance of Central share to be done on Central Portal.

iii. While calculating the Central share the States must ensure that it is done as per the Scheme guidelines. There shall be three parts of data to be share with the Central Portals-

- a. State Share paid (As per Scheme guideline)
- b. Central share due (As per Scheme guideline)
- c. Top up amount of State share, if any.

For Top up release, the States are required to open a separate SNA account and the entire Top Up releases to be done through this account only. The States are required to follow the directions of the Ministry of Finance in this regard. The NSP will make suitable provision in the API to record/capture this data also.

#### F. Actions after sending the files to Central Portal-

i. The payment file will be created of thus successful data and the same will be sent to State Governments for their DSC authentication.

ii. To ensure proper accountability and monitoring, States will provide summary data through an API regarding status of applications, physical verification at various levels covering at last 10% of the institutions/ students chosen randomly through an algorithm, etc. Detailed instructions regarding physical verification will be issued separately.

2022  
DR. PARVEEN KUMAR THAKUR  
Director  
Ministry of Justice & Empowerment  
Government of India

iii. The Demo-Auth of the Institute Nodal Officers (INOs) is also mandatory. No application should be approved from the State Governments from those institutes, whose INOs Demo Auth is not done on the Portal of the State Governments, irrespective of institutes having a valid AISHE/ UDISE Code.

iv. The UIDAI has launched a service at <https://bhuvan.nrsc.gov.in/aadhaar/> for Geo-visualisation of Aadhaar Seva Kendra. The State Governments are required to provide the link on their portals so that the applicants can identify a nearby Aadhaar Seva Kendra for Aadhaar enrolment.

v. All State Governments to ensure that time bound notifications/ messages/ instructions are sent to all beneficiaries so that there are no communication gaps and appropriate time is provided to the beneficiaries to act accordingly.

2. This issues with the approval of Secretary (SJ&E).

Yours faithfully
