Sammilani Mahavidyalaya

an abode of learning in the southern fringe of Kolkata

The college is located in the southernmost fringe of Kolkata adjoining South 24 Parganas at a very convenient location - 100, 300 & 500 meters from Highland Park bus stop, Baghajatin rail station and Satyajit Ray Metro rail station, respectively. In spite of bustling with the 'city of joy' having hospitals, supermarkets and posh residential complexes in its surrounding, the college has been transformed into a serene abode of learning in the middle a lush green vegetation. This strategic and nodal point location is one of the reasons to make Sammilani Mahavidyalaya a preferred institute of college education for the pupils of rural areas of South 24 Parganas as well as from the nearby city areas.

HISTORY OF THE COLLEGE

Sammilani Mahavidyalaya was established on the 12th of December 1996 by the initiative of some academically inclined entrepreneurs, with a definite objective to impart knowledge and skill to the youths of locality and of South 24 Parganas. On the 1st of June 2003, UGC granted the status to receive financial assistance U/S 12(B) of the UGC Act.1956. The college is on the path of continuous improvement in its educational services and resources. As the testament to that it has been accredited by the National Assessment and Accreditation Council (NAAC) thrice - in 2005 with grade a 'B', in 2016 with grade a 'B++' and again in 2024 with a 'B+' grade. It had been assessed by the Department of Higher Education, Govt. of West Bengal in January, 2010 under the State Level Assessment Programme (SLAP). Later on awarded with the 'Performance Cum Need Based Incentive Scheme' in June 2010. It has also earned ISO 9001: 2015 Certification for Quality Management System & Quality Audits—Environment Audit, Green Audit and Energy Audit.

From the Principal's desk

Sammilani Mahavidyalaya has embraced NEP 2020 – since 2023 for the benefit of the youths. Commensurate with its vision it is updating its educational services, resources and infrastructure to accomplish its mission of providing quality higher education accommodating emerging subjects, courses, skills, technologies and newer professional avenues.

Ample flexibility to opt courses from Arts, Science and Commerce subjects are offered in the ambit of its affiliation to the University of Calcutta. Conventional subjects like Bengali, English, Sanskrit, History, Political Science, Philosophy,

Economics, Chemistry, Mathematics, Physics, Zoology, botany, etc. to subjects of the time demand like Computer Science, Education, Film Studies, Microbiology, Molecular Biology, etc. are

included in the spectrum of its undergraduate curricula at a meager course fees. Add-on and certificate courses in almost all subjects are offered to enable the students to be ready to accept the challenges of the time. All students are engaged in internships not only to fulfill their course and programmes objectives but also to make the new generation fit for employment. Value added courses, NSS, extension activities and other extra-curricular activities are meant to groom them as sensible human beings and responsible global citizens. Under the flagship name of 'Sabuj Sammilani' more than a dozen environment friendly initiatives have been taken not only to have lush green campus but also to generate awareness on environment protection.

Sammilani Mahavidyalaya boasts 28 laboratories including 7 computer laboratories, 25 classrooms including most of whom are ICT enabled, free internet for all through WiFi, an advanced library and other facilities required for disseminating higher education of a global standard. An auditorium, three large classrooms and one general computer centre will be inaugurated very soon. Placement and Career Counseling Cell organises workshops, training programmes, job fair, etc. placement drives to enable the students in direct recruitment and/or explore all avenues for employment.

Vibrant faculty members are experienced, energetic and sincere in their duties and responsibilities. They blend traditional teaching methodologies with modern technology-enabled methods and equipment for delivering quality higher education. Interactive teaching-learning using ICT has become the norm of the days at this institution. Extra-academic cultures that offer scope of experiential learning, group learning, problem solving, excursion, field work, etc. are meant to engage the students in 360o learning experience in this institution.

Student progression is monitored continuously by conducting periodical tests/class tests to review their attainment of course/programme objectives. Personal attention is given to each and every student by the mentors for their academic as well as personal well-being. For the larger academic interests of the students all science departments take practical classes even during recess and during study leave and remedial classes are offered for weak learners to compensate loss of teaching due to conducting at least six Semester-end university examination throughout the year.

'Discipline is the most essential virtue of a disciple'. Believing the line, the College has adopted a stringent policy on 'zero tolerance to ragging' and to any kind of sexual harassment. The Anti-ragging Cell and the Internal Complaints Committee are not only active but also vigilant to prevent the menaces. For the safety and security of all the students, restricted entry in the gate and CCTV all over the campus is in place.

Students are the first stakeholders of an institute of education. They are expected to make rational and judicial use of infrastructure and resources available for their own future. They are encouraged to submit application on any kind of grievances and drop the complaint letter in the Complaints Box. Their valuable feedback are important for overall improvement of teaching learning, academic resources and related services at Sammilani Mahavidyalaya.

Best wishes
